

February 6, 2012

Members present: Richard Combra Jr, Allan deBettencourt & Amy Billings

Others present: Susan Sigel-Goldsmith

New Business

Susan Sigel Goldsmith explained they are producing the 2nd Jawsfest event and as part of the event they would like to do an outdoor screening of Jaws in Ocean Park on Saturday, August 11, 2012. It would similar to the one done previously in Owen Park in 2005. This time the event is a tribute to those who have passed – Roy Scheider, Peter Benchley and Robert Shaw as well as a conservation piece. A segment of the event would be sectioned off for VIPs but it would mostly be a free event. It would be the final element of the three day event and they are hoping for a sponsor for viewing which would make it a totally free show.

Commissioner Combra said that there is irrigation and the wastewater leaching fields are there so they would have concerns about heavy equipment but it was done previously and can work with whoever will be putting up the screen.

Commissioners said to check with Board of Health regarding distributing free pre-packaged food.

They requested that she complete the special event permit application for their next meeting on March 5th.

Special Event Applications

The following applications were approved:

- Alzheimer Services “Miles for Memories” – Ocean Park – May 6, 2012
- Boston Area Roadsters – Sunset Lake Park – June 14-17, 2012

Meeting adjourned.
