

Oak Bluffs Park Commissioners Minutes

July 21, 2008

Members present: Richard Combra, JR, Allan deBettencourt and Nancy Phillips

Meeting opened at 5:09 PM

MV Festival

Rob Shearer said that they would like to show the movie “Zeb – Schooner Life” on the Saturday night for free.

Commissioners reviewed and unanimously approved latest site plan for the festival.

Concession on the beach

Janice Rose asked about someone requesting to put a concession building on the beach.

Commission Combra advised that Mary Kay went before the Board of Selectmen asking about the possibility to set up a concession at beach; she asked them not the Park Commissioners and was informed by BOS that it was not their jurisdiction to grant her any license but she could apply to the Park Commission. As he was at the meeting he told them it was too far into the season to entertain any thoughts of concessions at the beach and they would be discussing it over the winter for next summer.

Commissioners discussed next meeting on Niantic Park set for August 18th; letters sent to abutters and to be advertised in MV Times and Gazette calendar section.

Meeting adjourned.

Sincerely,

Nicole L Morey
